## Military Wedding Of Local Interest

A military wedding of interest to friends in Crossfield took place on Thursday, September 19th, at 5 p. m. in the First Baptist Church, Brandon, Manitoba, when Genevieve (Gene), daughter of Mr. and Mrs. J. P. Methers of Crossfield, became the bride of Alfred George, son of Mr. and Mrs. W. Westcott, of Lethbridge, with Rev. C. Ralph Easter, B. A., B. Th., officiating.

The bride, who has been a resident of Lethbridge for the past two years, was given in marriage by Bandmaster Stanford, in the absence of her father who was unable to attend. Albert Newbold, pianist for the Royal Winnipeg Rifles Band, played Lohengrin's Wedding March as she entered the church, and during the signing of the register played "The Voice That Breathed O'er Eden".

The bride wore a queen's blue dress with wine and navy accessories, and her corsage was Sweet Lent roses and fern. The maid of honor, Mrs. Elsie D. Todd, was dressed in black velvet and wore a corsage of pink sweet peas. The groom, wearing full military uniform, was supported by Bandman Peter T. Sheppard. The band, who witnessed the ceremony, met the bride party with musical selections at the Olympia Grill where the wedding supper was served to the happy couple, their attendants and thirty-five members of the R.W.R.B. The bridal table, centered with the cake, was decorated with rose and white asters and yellow tapers. Bandmaster Stanford proposed the toast to the bride, to which the groom responded fittingly. Later in the evening the bridal party and band enjoyed a pleasant social hour at the home of Mr. and Mrs. Roy Todd.

Bandman Westcott is now stationed at Camp Shilo with the Royal Winnipeg Rifles.

The Germans claim they are bombing only military objectives. Here is all that is left of St. Thomas's hospital in London, now a mass of debris, after a Nazi night-time raid. The church is only a few yards from the Westminster Bridge over the Thames River. In the background may be seen Big Ben, historic clock on one of the Houses of Parliament.

## LOCALS

Mr. H. E. G. H. Scholefield returned yesterday from a visit at Midnapore.

Mervin Fox and Gordon Fox were passengers on the T. C. A. plane last Sunday, travelling from Calgary to Edmonton.

Mr. and Mrs. Charles Fox, accompanied by Mr. and Mrs. Ed. Fox motored to Edmonton last Sunday.

The new addition to Edlund's Drug Store is almost completed. The interior now presents a great improvement in space and appearance.

The committee appointed to further the sale of War Savings Stamps in this district, is having a Victory Wheel made which they hope to get in operation next week.

Rev. H. V. Ellison and Rev. A. D. Currie attended a meeting of the Ministerial Association in Didsbury on Monday. Following the meeting the visiting ministers and their wives were entertained at the home of Rev. and Mrs. J. M. Fawcett.

Miss Violet Currie of the Christopher Robin School, Calgary, was home for the week-end and presided at the organ for the Harvest Festival services in the Anglican Church. She was accompanied by little Janet Fisk, a guest child who is attending the School. On their return they were accompanied by Ruth Currie who is spending a week at the School.

## Bad Accident At Highway Crossing

A bad accident occurred at the north highway crossing at about two o'clock Sunday morning when a car driven by Henry Neuhauer, Penhold grain buyer, collided with the truck of Eugene Wickerson, of Crossfield, resulting in serious injury to five persons.

Eugene Wickerson suffered internal injuries, facial cuts and four fractures of the pelvis, while the three passengers in his truck, Miss Edna MacInary of Irricana, Mike Proc of Leduc and Robert White of Kennedy, Sask., were all severely injured. Henry Neuhauer was less seriously hurt, receiving cuts to the head and face and a bruised chest.

Ambulances were sent out from Calgary and the injured rushed to the Holy Cross hospital where they are progressing as well as can be expected.

After an 8 day delay caused by last week's rain, threshing was commenced again yesterday. However, in a number of cases it was found that though the straw was dry, the wheat itself was not ready for threshing and farmers are anxiously waiting and hoping for at least two weeks of the present, fine weather in order to finish up their long drawn out harvest. There has been slight frost several nights, but flowers are still blooming.

Vegetables this year have attained large proportions and 3 lb. potatoes and 2 lb. carrots seem quite common. The largest potato reported was just over 4 lbs. and a carrot of 2 lb. 3 oz. A huge pumpkin grown by Jacob Hehr, which is on exhibition, tips the scales at 56 lbs. and measures 54 inches in circumference—a fine specimen for a Cinderella coach.

The Senior Group C.G.I.T. are planning a trip to Calgary Saturday to attend the opening of skating at Victoria Park Arena.

## LOCALS

Princess Elizabeth will make her first broadcast next Sunday when she will give a five minute message to the children of the Empire. She will speak during the children's hour program beginning at 5:15 p. m. (9:15 a. m. MST).

Rev. and Mrs. D. G. Milligan and family have arrived from Vulcan and taken up residence in the Baptist manse. Mr. Milligan is the new pastor of the Baptist church here and conducted the services last Sunday.

The local branch of the Red Cross has been advised that there is an urgent need for turtle-neck sweaters and they would appreciate assistance in this work. Anyone who can do any knitting is asked to get in touch with them as soon as possible. The Red Cross rooms are open each Thursday from 3 to 5 p. m.

The United Church will celebrate its 35th anniversary with special services on Sunday, November 9th. Dr. G. W. Kerby, principal of Mount Royal College, Calgary, will be the guest preacher. Congregations at the United Church are on the increase and all branches of the work have been reorganized for an active year.

The Anglican Young People's Association resumed activities recently when officers elected for the coming year were: President, Irene Hesketh; vice-president, Harry Wigle; secretary, Edna Tredaway; treasurer, Irene Sefton.

A Halloween party has been arranged for October 17 at the home of Harry Wigle, and plans are underway for a telephone bridge to be held early in November.

Pupils of Room 3, accompanied by their teacher, Miss Benedict, enjoyed a very pleasant evening on Monday last. They started out from the school on a treasure hunt which led them to Hall's Coulee. There a bonfire was built for the winter roast and this was followed by games and a sing-song. All arrived home tired but reporting a "grand" time.

## Harvest Festival At The Church Of The Ascension

Harvest Festival at the Church of the Ascension last Sunday was very well attended and it was gratifying to see the number of country members present. Anticipating a dress was given by the Rev. D. F. Kemp of Christ Church, Calgary, the subject being "Do we want our church or do we want Hitler?" Rev. T. H. Montgomery of Banff was also present and conducted the service.

The church was beautifully decorated for the occasion and many were the expressions of gratitude towards those who did the work or gave the flowers, fruit, grain and vegetables. The following are among those to whom thanks are due: Flowers—Mrs. Arnot, the Mays, Mrs. Hewitt of Cremona, Mrs. Moscrop, Mrs. Jones and the Rectory. Vegetables—The Tredaways, Mrs. Wolodgo, Mrs. Jones, and the Montgomerys. Fruit—the Seftons, Stevens, Reeves, and Mrs. Waterhouse. Those who did the work were Mrs. Jones, Mrs. Tredaway, Miss Hewitt, Junior W. A. A. Boys' Bible Class, and the Rectory. The grain was given by Mr. and Mrs. Mitchem, who have contributed this for many years.

The wardens and Rector also want to thank those who remembered the church at this time.

## FUNERAL FRIDAY FOR C. THOMPSON

He was a member of the Odd Fellows Lodge, No. 42, at Crossfield and a member of the Canadian Legion. He is survived by his mother, Mrs. Isobel Thompson, and a brother, Verne, both of Crossfield, to whom the sincere sympathy of the community is extended in their bereavement.

Funeral services will be conducted by the Rev. H. V. Ellison in the United Church on Friday afternoon at 2:30 o'clock, with burial in Crossfield cemetery.

### RED CROSS TO START CAMPAIGN FOR FUNDS—

The Canadian Red Cross open their campaign in Alberta next Monday. The Dominion call this time is for \$5,000,000. The local committee will make their canvass shortly, and it is hoped that the citizens will again respond to the urgent need of funds to carry on the splendid work of the Red Cross. In the last canvass here the citizens made a splendid contribution to the Red Cross.

The work of the local committee is given gratis and can be made easier and more pleasant if every individual will set aside their maximum donation for this work, which will eliminate unnecessary delays, and assist the canvassers to speed up and complete their work as soon as possible.

### USE YOUR BETTER JUDGEMENT—

The north street crossing onto the highway is considered by some as very dangerous on account of the traffic from the north coming over the hill generally at such a speed that cars coming to a full stop at the highway cannot get clear in time. Of course this is only one angle of looking at it, other crossings are dangerous if caution is not used before passing unto the highway. It depends a great deal on who is behind the wheel of the car. Some drivers become confused especially at night and misjudge the distance of on-coming cars and become victims in many bad accidents where a little caution could have saved a bad spill.

On every highway today we find speed demons who pay no attention to caution signs or any other signs, when these fellows are slowed down we will have less accidents.

## "HUMANITY HAS STRUCK ITS TENTS"

At one stroke the thousand-year-old British Constitution was abolished by the British House of Commons...

It was done by the passage of an act that could be placed on a sheet of notepaper.

In a few hours the capitalistic organization of society was undermined.

Profit as a motive in human association was suspended.

Labor relinquished cherished rights and privileges as its contribution.

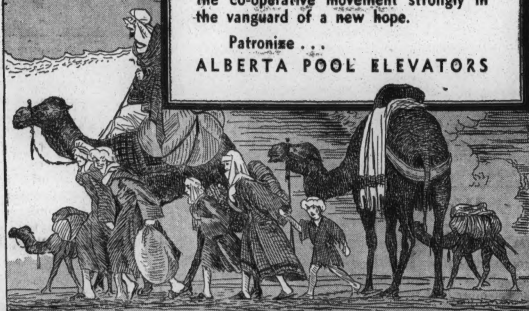

This momentous change heralds the passing of an era.

Humanity has once again struck its tents and is on the march.

Join the trend and aid in placing the co-operative movement strongly in the vanguard of a new hope.

### TOO LATE—

General Douglas MacArthur, former United States army chief of staff, has cabled this momentous message from Manila to the Committee to defend America by aiding the allies, New York—

"You have asked my military opinion as to whether the time has come for America to give continued and further aid to England in the fight for civilization. The history of failure in war can almost be summed up in two words, too late. Too late in comprehending the deadly purpose of a potential enemy. Too late in realizing the mortal danger. Too late in preparedness. Too late in uniting all possible forces for resistance. Too late in standing with one's friends.

"Victory in war results from no mysterious alchemy or wizardry, but entirely upon the concentration of superior force at the critical points of combat. To face an ad-

versary in detail has been the prayer of every conqueror in history. It is the secret of the past successes of the axis powers. In this war it is their main hope for continued and ultimate victory. The greatest strategical mistake in all history will be made if America fails to recognize the vital moment, if she permits again the writing of that fatal epitaph 'too late'. Such co-ordinated help as may be regarded as proper by our leaders should be synch-

ronized with the British effort so that the English speaking peoples of the world will not be broken in detail. The vulnerability of singleness will disappear before unity of effort, not too late, not tomorrow, but today."

"My husband is the efficiency expert in a large office."

"What does an efficiency expert do?"

"Well, if we women did it, they would call it nagging."

### Household Hints

**Cranberry Pies take the cake**—especially when this early American fruit is used in three such tempting variations of pie lore. Three pies to give a filip to fall meals are Horn O' Plenty, with cranberry and walnut meats pecking out from a white collar of meringue, Cranberry Mince Pie, and Cranberry Chiffon Pie with its center decoration of whipped cream.

You can feel virtuous about pie-eating from the health score, too, for with the colorful cranberries, you're packing in a good supply of vitamins. Also, for cold control, cranberries used liberally along with other Vitamin A foods are a strong foe against the common cold. You can eat your cranberry pie and have your vitamin too.

#### Horn O' Plenty Pie

1 1-2 cups sugar  
1 tablespoon cornstarch  
1-2 cup water  
3 cups raw cranberries  
1-2 cup broken walnut meats  
2 tablespoons butter  
Few grains salt  
1 baked pie shell  
3 egg whites  
6 tablespoons brown sugar

Blend sugar and cornstarch; add water and bring to a boil. Wash cranberries; add with raisins and nuts. Cook slowly until cranberries pop open. Add butter and salt. Set aside to cool; do not stir. Beat egg whites stiff; gradually add brown sugar, beating constantly while

adding. Pour filling into baked pie shell; pile meringue on top. Bake in slow oven until delicate brown.

#### Cranberry Mince Pie

2 cups fresh cranberries  
1 cup suet  
2 apples, peeled and quartered  
1-2 cup mixed candied peel  
1 cup each, raisins and currants  
1 1-2 cups brown sugar  
1-2 teaspoon each, nutmeg, cinnamon, cloves and ginger  
Grated rind 1 lemon  
3 tablespoons lemon juice  
1-2 cup fruit juice (cranberry, orange or pineapple)  
Pie pastry

Put cranberries, suet, apples and candied peel through food chopper. Add remaining ingredients and blend. Fill pie plate lined with pastry, arrange strips of pie crust crisscross over the top. Brush with milk. Bake in hot oven about 40 minutes. Makes two 8-inch pies.

#### Cranberry Chiffon Pie

2 cups raw cranberries  
1-2 cup water  
3 eggs, separated  
1 cup sugar  
1 tablespoon gelatin  
1-4 cup cold water  
Dash of salt  
1 tablespoon lemon juice  
Baked pie shell  
1-2 cup cream, whipped

Cook cranberries in water until all the skins pop open. Put through sieve and add to egg yolks beaten together with half the sugar. Cook over hot water until thickened. Add gelatin, softened in cold water, salt and lemon juice. Cool. Fold in egg whites, whipped stiff with remaining half cup of sugar. Transfer to baked pie shell and chill until firm. Spread top with whipped cream just before serving.

## ADVERTISED GOODS

People know more about advertised goods than about those that are not advertised. If you ask what is a good thing to buy for some need, people will usually quote some widely advertised article that everyone has heard of. If you ask about some competing article that is not advertised, they will usually say they never heard of it, consequently they are not likely to buy it.

People not merely buy the advertised goods they have heard of, but they are more likely to buy at the stores that are well advertised. These concerns appear constantly before the public eye by their widely read notices. A concern gets a big advantage over its competitors by the relatively small expense of advertising.

### Trade Envoy

Andrew G. Murphy

The appointment of Mr. Hersey, a son of Dr. Milton Hersey, as Provincial trade commissioner to the West Indies, was announced during the week-end by Hon. Oscar Drouin, Minister of Trade and Commerce and Municipal Affairs. He will have his office in Kingston, Jamaica, and will work in collaboration with Canadian Government commissioners to the West Indies. He will study possibilities of developing trade relations between the West Indies and Quebec.

## ALBERTA POOL ELEVATOR SPACE

The building program undertaken by Alberta Pool elevators during the current year, in order that patrons might get additional storage space for their deliveries, was revealed in a radio address given by R. D. Purdy, general manager, last week.

The program provided for added space of some 5 1/2 million bushels of grain, and was as follows:  
Four twin elevators.  
Twenty-one cribbed annexes.  
One hundred and forty balloon-type annexes.

The country elevator system, numbering now 424 houses, with the additional annexes can accommodate 23,000,000 bushels of grain.

Three terminals operated, two at Vancouver and one (in conjunction with the Manitoba Wheat Pool) at Port Arthur, provide space for about 9,000,000 bushels. The total capacity of the entire Alberta Pool system is thus approximately 32,000,000 bushels.

The Junior Girls Auxiliary will hold a Tea and Apron Sale sometime in the middle of November. Date and place will be announced later.

The Ladies' Aid of the United Church will hold their Bazaar on December 6. Keep this date open.

## Red Cross Society

British prisoners of war in Germany must be supplied each week with 10,000 parcels of food and clothing by Canada, a duty assumed by the Canadian Red Cross to relieve the Motherland of the necessity of shipping foodstuffs out of the British Isles. It is estimated that this will cost one half million dollars a year. Help the Red Cross when it appeals to you. Give more than you can spare.

When Germany's blitzkrieg struck the British Isles, the importance of Canada's contribution to Red Cross became fully seen. More than five million articles, ranging from ambulances to clothing, had been shipped to Britain, ready for the demands which flooded British relief workers. Thousands of men, women and children, whose houses and tenements had been destroyed, were clothed and fed. For such needs as these, the Red Cross needs money. Give, when you are asked, and give more than you can spare.

Roy Adams met with an odd accident last week which, fortunately, was not more serious. While he and his brother, Earl, were assisting their father, Andy Adams, to move a granary on their farm southeast of town, two stunks were discovered under it. Earl got a 22 rifle and took a shot at them under the granary, the bullet passing through an inch board and hitting Roy in the right side. Medical examination and X-rays showed the bullet had not entered any vital organs and it was deemed advisable to let it remain for the time being.
